EDUCATION

Ph.D. in Computing: Graphics and Visualization, expected 2017

University of Utah: Salt Lake City, UT

Advisor: Dr. Miriah Meyer

B.A. in Computer Science & Physics: Summa Cum Laude, 2012

Cornell College: Mount Vernon, IA

Minor: Chemistry

RESEARCH INTERESTS

Information visualization, human-computer interaction, set visualization, cybersecurity visualization, visual analytics, citizen science, design methodology

AWARDS AND FELLOWSHIPS

Winner of Teapot Rendering Competition: University of Utah, 2013

Winner of the second challenge at the Human Brain Mapping Hackathon: Allen Institute for Brain Science & Amazon Web Services, 2013

Wayne Brown Fellowship (\$30,000): University of Utah, 2012 - 2014

Phi Beta Kappa: Cornell College, 2011

TEACHING EXPERIENCE

Introduction to Visualization (CS 6630): University of Utah, Fall 2013
teaching assistant for a graduate-level course (60 students)
created and presented five lectures; wrote several new assignments

SERVICE

C.S. Graduate Student Advisory Committee: University of Utah, 2013 - present

PROFESSIONAL EXPERIENCE

Research Assistant: Scientific Computing and Imaging Institute, 8/12 - present

- ▶ created a process framework for incorporating visualization design decisions
- ▶ redesigned a cybersecurity visualization tool for predictive network analysis
- ▶ aided in the formation of a new scatterplot for exploring correlation

Research Assistant: NASA's Space Telescope Science Institute, 6/11 - 8/11

- ▶ contributed to a Hubble Space Telescope archival research project
- ▶ aided development of a citizen science project
- ▶ collaborated in a team of nine individuals across the country

Research Assistant: University of Wisconsin-Oshkosh, 6/10 - 8/10

- ▶ developed a system within a group on Drupal, a CMS
- ▶ designed a website to facilitate teaching algorithms visually

Chair of Appropriations: Cornell College Student Senate, 2/11 - 2/12

- ▶ managed and coordinated a budget over \$250,000 for 1,200 students
- ▶ coordinated a substantial rewrite of the financial by-laws
- ▶ optimized old workflows using new technologies

PROFESSIONAL AFFILIATIONS

IEEE Member, 2013 - present
